

Dear

This year I have the opportunity to work with 80 of my classmates and a local non-profit organization called Global Leaders (GL). This program is a 9 month leadership and service-learning organization for high school students. The culmination of this year-long program is a two week journey to Guatemala to continue participating in service-learning, language study and cultural exchange. I am really excited and can't wait for this incredible opportunity. **I am writing this letter to ask you for financial support to allow me to participate in this program.** I also want you to know I will be working really hard to earn financial aid and on other fundraisers to make this happen!

Let me share some background on GL. The founders saw a need to get students out of the classroom and into the world, learning and participating in meaningful service learning projects. Since 1997, GL has brought students of diverse racial, economic and ethnic backgrounds together to participate in extraordinary educational programs in Fort Collins and in Central America. The program combines service learning projects with the opportunity for international travel and Spanish language study. Students traveling abroad will choose from one of three service-learning projects to work on: clean cookstove installation, reforestation, and supporting small coffee farms around San Miguel Escobar, Guatemala. GL is committed to empowering young people to make positive change in their community and around the globe.

This year, I am volunteering in Fort Collins with a variety of nonprofits. We work with Putnam and Lopez Elementary Schools, Respite Care, OtterCares, A Little Help, Kids After School Time (working with homeless youth), Shire Farms, among other local non-profits. The average number of hours each student volunteers in our community is **70 hours**.

Once again, I hope that you can find a way to make a tax-deductible donation to help me take this once-in-a-lifetime journey. Our group's **goal is to raise \$45,000** from this letter campaign. This year we will fund our local and international service programs, projects and scholarships for students with financial needs. In 2023-2024, GL's students raised over \$41,000 through our letter campaign.
